

EMERGENCY SURVIVAL WRAP

REV112222

Ideal solution for a small, lightweight survival wrap to help maintain body heat...

The North American Rescue Emergency Survival Wrap is the ideal solution for a small, lightweight survival wrap as it balances performance, durability and size. The wrap reflects radiant body heat and is constructed of a combination of mylar and a tear resistant polyethylene fabric material.

The wrap is wind and waterproof, further aiding in retaining warmth. Available in reversible OD Green/Silver or high visibility Orange/Silver. The North American Rescue Emergency Survival Wrap is an essential piece of equipment in a compact package to help maintain body heat.

Features:

- Reflects radiant body heat
- Lightweight, durable, laminated polyethylene
- Large L 96 in. x W 60 in. wrap for full body coverage
- Wind and waterproof
- Available in reversible OD Green/Silver or high visibility, Orange/Silver

Dimensions:
