

NAR TACTICAL HAT

REV0081122

The NAR Tactical Hat is an American made mesh back hat from Nine Line Apparel featuring a breathable mesh construction that will make this your new everyday wear because of its functionality and comfort. The three inch hook and loop patch panel prominently displays the NAR Eagle and Cross logo. This hat comes in Multicam® and Black Multicam® camo patterns that fit in any environment. The mesh panels include the American flag on the right side and the North American Rescue® word mark across the rear of the hat.

Features:

- Mesh panel construction for breathability
- Adjustable hook and loop back strap
- 3 in. hook and loop panel for patches
- American flag embroidered on right side

Specifications:

- Size: One size fits most
- Weight: 0.16 lbs
