

BOLLÉ SILEX *Tactical Glasses*

REV080122

The bollé SILEX Tactical Glasses provide comfort to users, flexible bi-material temples and absolute support without pressure points. SILEX has a panoramic vision, an ultra-wraparound protection lenses with a refined design.

PLATINUM® ASAF lens coating is a permanent coating on both sides of the lens that provides a high resistance to scratching, and delays the onset of fogging. Certified K&N(EN166) PLATINUM® is resistant against even the most aggressive chemicals.

The innovative CSP coating is an effective solution for all activities that alternate exposure to bright light and low light, while also being suitable for extreme hot and cold temperature environments.
