

BLEEDING CONTROL KIT - STB

REV100423

To address today's growing concerns, North American Rescue has designed this convenient kit to equip bystanders with the essential medical tools needed to take immediate action in life threatening emergencies. Contained in a ruggedized, vacuum-sealed pouch, this life saving kit provides intuitive and easy-to-use tools that are proven to help to save lives such as the same Tourniquet and Hemostatic Dressing technology recommended by the U.S. Military & the American College of Surgeons Committee on Trauma to control bleeding. Also included are step-by-step illustrated "Just in Time" pictorial instructions.

Features:

- Designed to provide the essential bleeding control equipment needed to help save a life
- Small, compact and easy to use
- Kits contain the same Tourniquet and Hemostatic Dressing technology recommended by the U.S. Military & the American College of Surgeons Committee on Trauma to control bleeding
- STB Trainer Kit also available

Dimensions:

- H 7 in. x W 5 in. x D 2.5 in.
- Weight: 7 oz

Bleeding Control Kit - STB
