

RAPTOR RESPONSE SHEARS by Leatherman®

REV122121

A Must Have Multi-Tool...

Gear up for the unexpected with the Leatherman Raptor Response Shears. These compact, portable shears cut through materials while the micro-serrations on the inner blade keep fabrics from slipping and binding. It also features a ring cutter, ruler, oxygen tank wrench, and pocket clip, so you're ready to get to work in any situation. The handle grips are contoured, finished with a durable ceramic coating, and available in three color options. Made in the USA and backed by Leatherman's 25-year warranty.
