

NAR RESPONDER BALLISTIC PPE VEST *Slick*

REV071522

Protect yourself and save lives!

The NAR Responder Slick Ballistic PPE Vest is an advanced ballistic solution for Fire/EMS, and is suitable for Active Shooter or Rescue Task Force needs and daily wear. This system was designed specifically for first responders. The shape and cut of the vest provides increased ballistic protection while still allowing freedom of movement for providers to perform advanced medical care. An optional armored abdomen extender is available for additional ballistic coverage. Smaller armored cummerbund can be purchased separately to provide custom fit with greater comfort for smaller providers.

NIJ 0101.06 IIIA soft armor that has been special threat tested for advanced ballistic threats including fragmentation.

NAR Responder Armor Abdomen Extenders sold separately. Custom ID Patches featuring your text available separately. Contact Customer Service for more information.
