

RESCUE SLEEVE II HEAD BLOCK *Set of 2 - Black*

REV062823

These replacement Head Blocks are made specifically for full compatibility with the NAR Rescue Sleeve II. Available in black. Removable head-securing blocks are constructed with a PVC cover that is coated with Vinyl (waterproof) and the internal material is made of foam, perfect for holding the head steady when total spinal immobilization is required.

This product replaces the Orange Head Blocks 50-0003.
