

SALTY BRITCHES® CHAFING OINTMENT

SINGLE USE - 10PK

REV050224

The Skin Barrier That Will Last Longer Than You

This product offers soothing, long-lasting barrier against skin irritation from windburn, friction, chafing, and blister generating activity caused by skin-on-skin, gear-on-skin, or clothing-on-skin movement. Apply once, and it lasts all day without sweating off or rubbing off. Our specialized formula prevents and soothes skin irritation all year round - from dry winter skin to summer outdoor activities.

Single use sample pack of Salty Britches® Chafing Ointment. 0.1 Fl oz (3mL) per pack is perfect for lightweight packing. Take on the trail, run, hike, or beach with lightweight convenience. Notched tear makes it easy to open.
