REV092023

## **NAR®'s most compact, versatile Mini First Aid Kit**

The M-FAK, North American Rescue®'s Mini First Aid Kit, was designed to be the most compact, multi-use IFAK for delivering immediate critical care for penetrating, blast or other traumatic injuries. The M-FAK Resupply Kit is a convenient way to ensure that you have all of the equipment necessary to restock your nylon kit as consumable items are used. Each resupply kit comes in a resealable plastic bag for convenient storage and the label includes a checklist option so that you can note which items have been removed from the resupply.

### **Features:**

- Convenient resupply for the Mini First Aid Kit (M-FAK) with Combat Gauze®
- Contains the First Responder's most requested critical point-of-wounding medical equipment for treating penetrating, blast or other traumatic injuries in the line of duty
- Labeled with check boxes for easy identification of consumed items
- Resealable plastic bag for easy access and storage
