

HEAVY DUTY TRAUMA X-SHEAR®

REV010424

A Must Have...

The XSHEAR® is a heavy duty trauma shear designed to outperform traditional trauma shears in every way. The hardened 3mm thick stainless steel blades have a comfortable grip with slip resistant inner handles. The patented curved design for gentle approach when cutting near skin is hinged by a heavy duty center bolt that will not loosen over time. The razor sharp blades have a serrated lower blade to help cut through tough material with ease.

Features:

- Hardened stainless steel blades that are twice as thick as most trauma shears, sharpened to a razor edge
- BLACK TITANIUM coating on blades provides extra durability and sleek matte black appearance
- Patented blunt tip and curved design for gentler edge near the skin
- Soft touch inner handles for comfort and slip resistance
- Heavy duty center bolt that won't loosen over time

Heavy Duty Trauma XSHEAR®

Item #	NSN #	Handle Color	Blade Color
70-0290		Black	Black
