

UTILITY POUCH - MULTICAM

REV012624

A rugged, slick front nylon bag with easy MOLLE/PALS style attachment options for connection to vest, body armor, or belt. The interior features elastic loops to secure contents during rough transport. Durable 550 cord pulls give users a reliable and rapid method of opening the utility pouch.

Side profile of bag is made with 4 way stretch Tweave to allow flexibility for various packing sizes. MOLLE straps utilize end tuck style design rather than button snaps.

Features:

- Bag ONLY, contents not included
- Durable nylon bag with interior elastic loops for secure gear organization
- Super compact, rugged nylon platform that allows attachment both vertically and horizontally
- Durable 550 cord pulls
