

# UNIFORM DUTY BELT TOURNIQUET HOLDERS

REV011124

## Designed to meet the specific duty gear needs of law enforcement officers...

A tourniquet needs to be accessible and readily available for one-handed deployment in under a minute, 30 seconds if possible. To meet the specific duty gear needs of law enforcement officers, North American Rescue now offers leather C-A-T Holders for use on a daily duty belt and designed to fit within organizational uniform standards. Constructed with high quality leather or ballistic nylon and hardware, this premium tourniquet holder securely fastens to your duty belt for easy one-handed access to your tourniquet while empowering you to take control of extreme medical situations in just a matter of seconds. Choose the convenient clip that allows the holder to be added to your belt without weaving or loop that allows the holder to be added to your belt. It is ideal for carrying your C-A-T® Gen 7 but can also accommodate other popular windlass tourniquets as well.
