

TORK® LCL (Tactical Operator Response Kit)

REV041624

Point-of-wounding IFAK for the Assault Vest or Body Armor, now available in laser cut vinyl!

The Tactical Operator Response Kit (TORK) by North American Rescue® - now featuring Laser Cut Laminate (LCL) MOLLE - is designed to meet the need for a compact individual first aid kit carrying basic life support equipment, in order to address leading causes of potentially preventable death in a tactical environment.

This TORK® contains essential life-saving equipment for point-of-wounding, self-aid/buddy-aid to address injuries caused by penetrating or blast trauma. Its sleek, compact size allows for easy attachment using MOLLE/PALS style connectors to the assault vest/body armor or NAR's Quick Detach Panel (available for separate purchase). The TORK® also features a signature Red-Tip Technology® rapid opener for fast and easy, one-pull tab opening of the kit.

The TORK® LCL is available in different levels of care: Basic, Basic with Combat Gauze, and Advanced with Combat Gauze.

TORK LCL
