

MINI TRAUMA SHEET BAG ONLY

REV072324

Easy Access...

Introducing the NAR® Mini Trauma Sheet, a portable, compact carry sheet that can carry life saving equipment. Contents can be customized to meet your mission requirements. The Mini Trauma Sheet can be rolled up to be carried to an incident, or hung in an ambulance, vehicle, or aircraft for easy access to medical supplies.

The Mini Trauma Sheet features clear vinyl pouches for easy identification of contents, and each pouch can be accessed through the large zipper opening. Pouches have loop fields enabling the use of hook and loop name tape attachment such as Bleed, Breathing, MISC, etc (name tapes are not included).

Features:

- Can be rolled up and carried with the attached handles, or opened and hung using the sewn in D-Rings
- Four large pouches and one lower profile zippered pocket for maximum capacity
- Compact design for smaller vehicles, ambulances, etc.
- Ability to pack out however you like for best possible outcomes
- Hook and Loop attachment for name tape additions for better quality quick visual access
- Bag only, contents and name tapes NOT included
