

# MCI-TKD KIT MASS CASUALTY INCIDENT - THROW KIT DISPENSER

REV101424

## Quick Dispensing Of Critical Lifesaving Products To Multiple Patients

The Mass Casualty Incident-Throw Kit Dispenser Kit (MCI-TKD) is our next iteration in the MCI line of bags. This bag is unique as it contains an inner main compartment specifically designed for quick deployment of point of injury kits. The bag offers quick dispensing of critical lifesaving products to multiple patients all in one vehicle kit.

The MCI-TKD includes up to 8 quick throw kits as well as additional side and front pockets for commonly used point of wounding supplies. It features one handed quick release zippers on sides and front with all silent zipper pulls. Removable backpack straps utilize low profile G-Hook attachment for customization from 2 shoulder straps, bandoliers style, etc.

### Features:

- Easy backpack carry for mass casualty events
- Quickly deploy bleeding control kits in emergency situations
- Side pockets have C-A-T® Tourniquets and Emergency Trauma Dressings (ETD®) for maximum preparedness for multiple injuries
- Front pockets for Litter, Breathing and wound packing scenarios

### Specifications:

- Dimensions: H 21 in. x W 13 in. x D 8 in.
- Weight: 15 lbs.
