

TRIAGE TAPE *GRAY*

REV101824

Quickly & visually identify expectant casualties...

North American Rescue's Gray Triage Tape is one roll of marking tape needed to triage patients or to identify specific triage areas using a triage system, such as the SALT system, on the scene of a mass casualty incident. Each roll of tape contains 300 feet of highly visible and durable non adhesive PVC tape. The color gray for triaging casualties signifies that the patient is "Expectant."

Features:

- 1.2 in. x 300 ft. roll
- Durable non adhesive PVC material
- Sold as a single roll

Specifications:

- Roll Dimensions: W 1.1875 in. x L 300 ft.
- Weight: 0.32 lbs.

Triage Tape - Gray
