Wherever life takes you, be prepared.

The Minor Care Bandage Kit from North American Rescue is here when major trauma is not. This kit is compact and is a great add-on to most bleeding control kits, trauma kits, EDC, or your IFAK for those not so traumatic injuries. From minor lacerations to busted knuckles the Minor Care Bandage Kit has you covered. It also serves as a quick refill for those commonly used items in first aid kits.

The Minor Care Bandage Kit comes in a compact aLOKSAK® package. The aLOKSAK® bag is comprised of a 6 Mil patent protected new generation film with a Hermetic Seal that ensures waterproofing and airtight seal. The bag is certified waterproof up to 200 Feet / 60 Meters.
