

NAR® K-9 LITTER

The NAR® K-9 Litter is a lightweight, compact litter designed for the movement of injured canines. The nylon litter can be packed to store in a cargo pocket or pouch and can be quickly deployed. The litter has leg cut outs to place the canine in the litter for safe movement. The K-9 Litter also has six large and four small carry handles for balanced carrying and allows for one to four person carries. The maximum weight capacity for each K-9 litter is 700 lbs.
