

# TCCC SKILLS SYSTEM *All Combatant*

REV042519

## **A turnkey training solution for up to 25 students**

The TCCC Skills System – All Combatants from North American Rescue provides all the necessary tactical medical and casualty extraction/evacuation equipment needed when teaching the TCCC – All Combatant required tasks for completing the Tactical Combat Casualty Care (TCCC) course. This system is available as a turnkey solution for training centers and educational institutions designed to equip up to twenty-five (25) students.

Each training kit consists of three skill sets:

**TCCC Skills Set – All Combatant:** Provides the necessary equipment to perform TCCC required tasks when training at individual skill stations. Includes all the necessary equipment to instruct up to twenty-five (25) students in the treatment of the leading causes of potentially preventable death in the tactical environment. Contents are packaged in a self-contained, wheeled, rigid case with internal dividers to keep the equipment organized and easy to inventory. Addresses extremity hemorrhage, wound packing, chest seal application, needle chest decompression, basic airway adjuncts, splinting, hypothermia prevention & management, and eye injuries.

**TCCC IFAKs Skills Set:** Provides twenty-five training IFAKs for student use during trauma lanes or scenarios. Each IFAK contains the necessary equipment for initial TCCC – All Combatant care in an easy to attach modular carrying bag that is compact and designed to be worn on the assault vest or body armor via MOLLE-style attachment points. The set contains 25 pre-packed TCCC Training IFAKs in a hard, wheeled case that allows for easy transport and storage.

**TCCC Evacuation Skills Set:** Provides various high-threat extraction devices and casualty evacuation systems to train students in different options to move casualties during the all three TCCC Phases of Care. Kit includes High Threat Extraction drag devices, versatile casualty movement Hasty Harness, poleless/non-rigid litter option and the collapsible quad-fold rigid evacuation platform standard – Talon II 90C Litter.

### **TCCC SKILLS SYSTEM All Combatant Dimensions:**

#### **Hard Storage Case:**

External – L 32.5 in. x W 21 in. x D 13 in. • Internal – L 29 in. x W 18 in. x D 10 in.

#### **Weights:**

TCCC Skills Set: 55 lb • TCCC IFAK Skills Set: 70 lb • TCCC Evacuation Skills Set: 50 lb
